Hybrid Class

Due to the severity of the COVID-19 pandemic, The Home School Academy will be implementing a hybrid style class this upcoming year. If things worsen, we will be in contact to share any changes. At the current conditions of the Coastal Bend at the writing of this document, we are planning on returning back to our Academy in August.

The hybrid class is a mix of online & in-person classes.

- Students will be allowed to come to class during their selected time slot as usual.
- If a student is sick or does not feel comfortable attending class, they will be given access to the online class.
- The current capacity for each classroom will not increase due to students not being in class.
- Students may switch between in-person and online classes at **no extra cost**. (Ex. Monday = person, Tuesday = online, Wednesday-Thursday = in-person)
- In-Person Classes:
 - Students & Faculty are required to wear masks at all times, unless actively eating.
 - Students and Faculty will be given temperature checks on entry.
 - If a student has symptoms upon entry, they student will not be able to attend in-person class that day. Parents must take their students with them. Students are allowed to attend online classes.
 - If a student appears to have symptoms, temperature will be taken and parents will be called. Parents must pick them up. Students are allowed to attend online classes.
- Online Classes:
 - Students must add their name to the device they are using.
 - Cameras must be active, unless otherwise specified.
